

Please go to www.meethue.com to learn more about Hue and how to use it. Hereby, Phillips Lighting B.V., declares that this wireless lighting system is in compliance with the essential requirements and other relevant provisions of Directive 1999/5/EC. The declaration of conformity may be consulted at www.meethue.com/DoC.

The Hue bridge contains open source software. The related license texts and the distribution procedure can be found with a web browser by opening the http page of the Hue bridge.

WARNINGS AND CAUTIONS:

- The bulb is not suitable for use with dimmers.
- Keep away from liquids and humidity.
- The product is for indoor use only. Do not use in wet locations, directly exposed to water or outdoors.
- Before replacing, turn off mains power and let lamps cool to avoid electrical shock or burn.
- This product is not a toy designed to be played with by children.
- Do not place on hot surfaces.
- For safety reasons and under the terms of the warranty, none of the enclosed devices should be opened.
- Only use the adapter supplied: using a different adapter can damage the product.

WARRANTY:

Philips' two-year warranty is valid if the product is used in accordance with the instructions and for its intended purpose. Claims will only be accepted on submission of the original proof of purchase (invoice, sales slip or receipt) stating the purchase date, the name of the dealer and a description of the product.

The Philips warranty lapses if:

- Anything has been changed, crossed out, deleted or rendered illegible on the purchase docket or product description.
- The failure is caused by damage, faulty connections or abuse.
- A defect is caused by extreme circumstances not inherent to the product, for example, lighting, flooding, fire, incorrect use or negligence.
- The product has been opened or disassembled.

Apple HomeKit

Hue lights can be controlled away from home via the Hue system. Controlling other HomeKit-enabled accessories away from home requires an Apple TV (3rd generation or later) with Apple TV software 7.0 or later. HomeKit requires an iPhone, iPad or iPod touch with iOS 8.1 or later.

Communication between iPhone, iPad, or iPod Touch and the HomeKit-enabled Hue bridge is secured by HomeKit technology.

Use of the HomeKit logo means that an electronic accessory has been designed to connect specifically to iPod, iPhone, or iPad, respectively, and has been certified by the developer to meet Apple performance standards. Apple is not responsible for the operation of this device or its compliance with safety and regulatory standards. Please note that the use of this accessory with iPod, iPhone, or iPad may affect wireless performance.

Apple, iPhone, iPad, iPad Air and iPod touch are trademarks of Apple Inc., registered in the US and other countries. HomeKit is a trademark of Apple Inc.

Wireless specification:

Wireless RF mode frequency band: 2400-2483.5 MHz
Wireless communications protocol: IEEE 802.15.4
Operating channels: channels 11 – 26

Environmental specification:

Temperature (operation): -10...45°C
Temperature (storage): -25...60°C
Relative humidity: 5-95% non-condensing
Standby power <0.5 W per lamp

CLEANING AND MAINTENANCE:

Do not clean when the product is on and connected to mains power. To avoid scratching, the product should only be cleaned with a soft dry cloth. Do not use cleaning agents.

Disposal of your old product:

Your product is designed and manufactured with high quality materials and components, which can be recycled and reused. When this crossed-out wheeled bin symbol is attached to a product, it means the product is covered by the European Directive 2002/96/EC.

Please find out for yourself about the local separate collection system for electrical and electronic products.

Please act according to your local rules and do not dispose of your old product with your normal household waste. The correct disposal of your old product helps prevent potential negative consequences for the environment and human health.
