

# Product Information Sheet

COMMISSION DELEGATED REGULATION (EU) 2019/2015 with regard to energy labelling of light sources

**Supplier's name or trade mark:** V-TAC

**Supplier's address:** V-TAC Europe Ltd., bul. Rozhen 41, Sofia, BG

**Model identifier:** 7863

## Type of light source:

|                                                     |                  |                                 |      |
|-----------------------------------------------------|------------------|---------------------------------|------|
| Lighting technology used:                           | LED              | Non-directional or directional: | NDLS |
| Light source cap-type (or other electric interface) | L/N/G Connection |                                 |      |
| Mains or non-mains:                                 | MLS              | Connected light source (CLS):   | No   |
| Colour-tuneable light source:                       | No               | Envelope:                       | -    |
| High luminance light source:                        | No               |                                 |      |
| Anti-glare shield:                                  | No               | Dimmable:                       | No   |

## Product parameters

| Parameter                                                                                                                                      | Value                  | Parameter                                                                                                                                                  | Value                                                                   |
|------------------------------------------------------------------------------------------------------------------------------------------------|------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------|
| <b>General product parameters:</b>                                                                                                             |                        |                                                                                                                                                            |                                                                         |
| Energy consumption in on-mode (kWh/1000 h), rounded up to the nearest integer                                                                  | 12                     | Energy efficiency class                                                                                                                                    | F                                                                       |
| Useful luminous flux ( $\phi_{use}$ ), indicating if it refers to the flux in a sphere (360°), in a wide cone (120°) or in a narrow cone (90°) | 1 200 in Sphere (360°) | Correlated colour temperature, rounded to the nearest 100 K, or the range of correlated colour temperatures, rounded to the nearest 100 K, that can be set | 6 500                                                                   |
| On-mode power ( $P_{on}$ ), expressed in W                                                                                                     | 12,0                   | Standby power ( $P_{sb}$ ), expressed in W and rounded to the second decimal                                                                               | -                                                                       |
| Networked standby power ( $P_{net}$ ) for CLS, expressed in W and rounded to the second decimal                                                | -                      | Colour rendering index, rounded to the nearest integer, or the range of CRI-values that can be set                                                         | 80                                                                      |
| Outer dimensions without separate control gear, lighting control                                                                               | Height                 | 30                                                                                                                                                         | Spectral power distribution in the range 250 nm to 800 nm, at full-load |
|                                                                                                                                                | Width                  | 171                                                                                                                                                        |                                                                         |
|                                                                                                                                                | Depth                  | 171                                                                                                                                                        |                                                                         |
|                                                                                                                                                |                        |                                                                                                                                                            | See image in last page                                                  |

|                                                                                                                         |      |                                       |                |
|-------------------------------------------------------------------------------------------------------------------------|------|---------------------------------------|----------------|
| parts and non-lighting control parts, if any (millimetre)                                                               |      |                                       |                |
| Claim of equivalent power <sup>(a)</sup>                                                                                | -    | If yes, equivalent power (W)          | -              |
|                                                                                                                         |      | Chromaticity coordinates (x and y)    | 0,318<br>0,343 |
